For the attention of Shaun Sweeney

Dear Shaun,

Now that the dust is settling , I would like to take this opportunity to thank you for all of your help and assistance in my recent sale of MLM fasteners Ltd to the QEF Group.

Your guidance through the complexities of the deal and your experience in smoothing the way with the minimum of fuss and maximum support package was invaluable

I wish you further success for the future and look forward to renewing our acquaintance if the situation should arise

Yours Sincerely

N.A.England
