Dear Shaun

I would like to congratulate the Turner Butler team for the outstanding job they did in handling the successful sale of my business. We couldn't have got a better result, and it was achieved in spite of the economic doom and gloom.

The level of service received was extremely high and the potential buyers that were pointed in our direction were all genuine possible purchasers. Because of the quality of the potential interested parties sent to us, the speed of sale was very agreeable.

I would strongly recommend Turner Butler to any business owner selling their business. Your help in securing an excellent price for an excellent business was invaluable.

Yours sincerely

Justin Seldis
