Dear Tony,

On behalf of myself and my two brothers, I would like to take this opportunity to personally thank you for all your help in selling our family business.

You found us the best possible buyer to continue running the business and to look after our loyal staff, some of whom had been with us for 25 years.

I do not think that we would have placed it on the market if it had not been for your initial advice and support, and we are of course very pleased with the final outcome, and look forward to our retirement.

Yours sincerely

Mike Rowntree
