Dear Shaun,

Following the successful sale of the Cinesound Library I would like to thank you for all your efforts.

It has been a pleasure dealing with you and your Company.

We expected this to be a very trying period and in fact it has turned out to be exactly the opposite.

Thank you for finding such an obliging buyer in Lloyd, as we know the sound library has gone to good home and the Tape Gallery will keep the library in the UK.

I would not have believed you could have found a buyer for the Cinesound Library, which had ceased trading, but you have and at a handsome selling price.

I will be recommending your services to all of my friends selling their businesses.

Please feel free to show this recommendation to any party as it is a difficult decision to choose a business broker, and we are very happy to have chosen Turner & Co.

Once again, thank you.

Kind regards

Dennis
