Dear Mike,

Enclosed, I am sure you will be delighted to find your cheque for services rendered as regards the sale of my business.

In common with most people I was slightly sceptical that you would be able to find a buyer for such a specialised business; but with your research and constant advertising campaign I have to confess that my cynism was misplaced.

I am pleased also that, despite the number of viewers of the business, complete confidentiality was maintained and that none of the staff were aware of the fact that the business was for sale. This obviously helped to keep the business running smoothly during the sale process.

I would like to thank you for your sensitive dealings in this matter and would not hesitate to recommend your company to anyone wishing to sell their business.

Kind regards.

Yours sincerely,

*David Shadrach*
