Dear Shaun

Please find enclosed the cheque in settlement of your invoice for the sale of our business.

We are very pleased with the way your company has handled the sale. Turner Butler has marketed the company well and has ensured that you passed to us only those who were genuinely interested in purchase.

The professionalism displayed by you and your staff has been very much appreciated and you have always been available for help and advice throughout the process.

We have no hesitation at all in recommending you and your company to anyone who is considering the sale of their company and Kate and I will be raising a glass to you, from time to time, in our retirement.

Best regards

Mike and Kate Dalton
