Dear Shaun,

### Sale of Footwear Company

Thank you for a great evening and dinner, which I enjoyed immensely.

I would like to thank you for recommending my services to the Vendor and I know that the Vendor was very happy with your valued assistance in finding him a Purchaser.

As you know this was a difficult transaction due to the fact that the sale and purchase had to be completed within 4 weeks of the initial instructions. Whilst it was a difficult transaction, it was made easier due to the parties involved keeping a calm head and getting the deal done!

I know that my client will be writing to thank you under separate cover. However, I would like to thank you for your invaluable assistance in this transaction.

I look forward to working with you again in the future and hope that I can recommend your services in the future.

With kind regards.

Yours sincerely
