Dear Shaun

Sale of Fulham Brass & Ironmongery Ltd

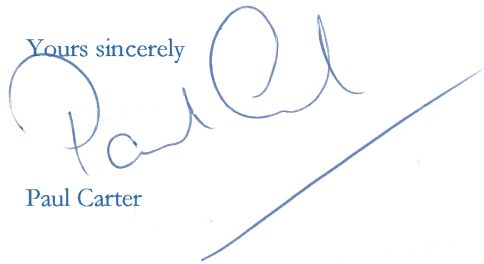

Just a short note to acknowledge and enclose your fees which I must say I am delighted to pay.

The professional service and marketing levels you exerted on my behalf were indeed every bit as good as you said at the outset.

What impressed me most was the sheer consistency of efforts and the attitude that you were always confident of achieving a result for me.

I will have no hesitation recommending you to business contacts once I have taken a well earned break.

Yours sincerely

Paul Carter
