Dear Sirs

SALE OF DRY CLEANING GROUP

As you know when I first approached you to sell my business I had already tried unsuccessfully for some time with another agent, namely Avondale.

The business had not been marketed to my liking and due to lack of activity the relationship failed.

Your consistent efforts and the quality of purchasers put forward by Turner and Co impressed me.

It was reassuring to see my business in the quality press and receive the positive feedback from your mailshots and PR.

I cannot thank you enough for the support you gave me in negotiating with one of my landlords and without that support doubt if the deal would have been completed.

It was a pleasure to authorise my solicitor to pay your fees (I recall at the outset thinking it was a vast sum) but it has proved to me that you get what you pay for.

It is reassuring that there are still brokers like Turner and Co who do not ask for any payment before they start work and go away and do what they say they will do, ie sell the business.

Hopefully I will be in my new business before too long, once again many thanks.

Yours faithfully

Christopher Rowles
