Dear Shaun

My business is sold, the dream boat ordered, and one pleasurable task remains, to thank you and all at Turner Butler for the very successful sale.

I want to let you know how pleased I am with the way you handled the sale of my business, I would never have dreamt I would have two cash buyers fighting to buy my business.

The timing was as you predicted, price obtained for my business far exceeded my highest expectations and the cash deal was exactly as you said they would be.

To the day we sold none of my staff, customers or suppliers found out I was selling, you have controlled the confidentiality of the sale perfectly.

I was impressed with your professionalism, responsiveness and background knowledge regarding every aspect of the sale.

I've already recommended you to other friends who are business owners who I know may be interested in selling their businesses as well.

Thank you for a job well-done and I wish you continued success and happiness

Kind regards

Yours truly,

Stephen Bedell
