Dear Mike

Re: Sale of Business

As you know, the sale of the business has now completed and we have assisted Mr. & Mrs. Styles, the Purchasers, in setting up their new offices and sales operation.

We just thought we would drop you a line to express our thanks for all your assistance throughout the sale process.

You may recall, when we first spoke, that we wondered if the business had any value at all, as Margaret and I were 'the business.'

I hope to spend a great deal more time on the golf course and I know Margaret too has plenty to keep her busy.

We will have no hesitation in recommending you to our friends in business and once again, thank you and all your staff for the support and assistance provided.

Yours sincerely,

Margaret & Brian Epps.
