Dear Mike

Sale of Business

On behalf of myself and my brother Chander I wish to express my sincerest thanks for all your assistance during the course of the negotiations of the sale.

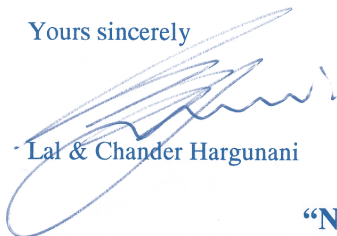

There was a point when we first approached you that we thought all we might achieve for the company was the net asset position but that soon proved unfounded once Turner and Co got to work.

We were very pleased at the range and quality of offers received and indeed the price achieved.

On a personal note we don't think this deal would have made it but for the tactful and patient way in which you handled some of the advisors to the deal.

We are now looking forward to taking life a little easier and once again thank you for all your assistance.

Yours sincerely

Lal & Chander Hargunani
