Dear Rob

May we thank you for your considerable time and efforts involved in the sale of our business, which during these difficult times was a much needed bonus to us.

We very much appreciated the personal touch, and we feel that without this and your expertise the business would probably still have been for sale for a much greater length of time.

We would have no hesitation in recommending your services to anyone and very much look forward to using you in any future ventures we should undertake.

Kind regards
