Dear Shaun

We would like to pass on our thanks to both you and your team for all of your help and support over the past months in securing the sale of our business.

Experience, wisdom and timing are obviously key elements in undertaking a transaction of this type, all of which are characteristics that you brought to this venture.

Further, we would commend your team on their ability to market the business and identify potential buyers as well as vet their credentials.

Without the support network that you provided to us throughout this transaction it is unlikely that we would have been able to bring it to a satisfactory conclusion.

We would wish you and your team every success for the future and would look forward to doing business with you again.

Kind regards

Ray Burgan.  
Director.
