Dear Shaun,

Re Sale of Maylux Engineering

Just a quick note to say a thank you for the superb job you did for us over the past few months, your excellent team are absolutely brilliant, from the first visit to final completion you made the process painless.

Congratulations on a great job, well done, and well worth it. Let me know if I can serve as a reference to any other engineers. Feel free to share this letter as a testimonial from a most-pleased client. I will recommend Turner Butler to anyone wanting to sell their business

Lastly, and perhaps most importantly to me, we are all very thankful for your persistence and effectiveness in directing the sale to achieve superb results.

With kind regards

Yours sincerely

John A Marsh
