Dear Mike

Moss & Co (Hammersmith) Limited

I am writing following the successful completion of the sale of Moss & Co to thank you very much indeed for your assistance throughout the sale process.

It was invaluable to have your support in relation to some of the tricky negotiations on the commercial terms of the transaction. I do not think I am putting it too strongly when I say that, without your facilitating agreement between the parties on a number of commercial issues, it may have proved very difficult indeed to proceed to completion.

Many thanks once again.

Kind regards

Yours sincerely
