Dear Mike & Shaun

Sale of my business

Just a short note to thank you for all your efforts regarding the sale of my business.

When we first met I was somewhat disillusioned as I had spent over 4 months with Avondale and had paid them advance monies to cover their costs.

Their efforts brought no one to the table with the ability to buy the business.

I was somewhat taken aback with your fees and was pleased when you accepted the challenge to cover these from the sales proceeds.

The sheer quality and consistency of your marketing was very reassuring.

In a period of some 12 weeks not only did we have a buyer (with the money), we had a vastly improved sale price.

The fact that we achieved a higher price in such a short time frame and your fees were covered in the sale price made it a pleasure to send you the cheque for your fees.

I will have no hesitation in recommending you to friends and business contacts.

Yours sincerely

Roger Hickman
