Dear Shaun

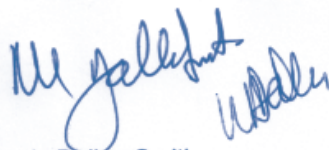

It is my pleasure to express my sincere thanks to you and all your colleagues for a successful sale of my business and for your commitment and outstanding performance.

We have the highest praise for the professionalism, dedication, communication and persistence in the execution of the selling process, a job well done. Without your expertise I doubt if the sale would ever have taken place.

You are true professionals. Everyone at Turner Butler is a pleasure to work with and provided a tremendous liaison between "seller" and "buyer".

Kind Regards

Yours sincerely
