Dear Sean,

I write to say what a pleasure it has been working with you on the successful sale of Wizcard Ltd. From the beginning, Turner & Co has provided sound professional advice and a steady flow of interested parties. Your constant encouragement has also been most welcome. Our aim was to conclude a sale with a party we felt would be able to build commercial success on the foundations that the Wizcard team has been working on over the past four years – this we believe we have found.

As you know, Dr Wuurman and myself have been involved with other commercial interests recently, so the sale has come at an ideal time allowing us to step down from our directorships at Wizcard and to take up new challenges: Dr Bart Wuurman as CEO at De Novo Pharmaceuticals, myself as Head of Communications at SATRA Technology Centre.

Again, many thanks for your help and please find enclosed a cheque donation for Action Aid, a charity suggested by yourself.

Yours sincerely,

A handwritten signature in blue ink, appearing to read "Jake Locke".
